- How long to go?

Where to go?

- World class institutes
- Cheap

- Outdoor activities and sports
- Great university choice

- easy access to travel
- support for international students

- education is government's priority
- beautiful landscape

What to organize?

- Having a plan for your arrival
- Copy all of your important documents
- Create a list of emergency contacts
- Arrange to have enough medication to last the entire trip
- Organize a plan for the first 24 hours on the ground

How to finance

- Not enough money > application for support
- Good option: bafög
- Depends on the income of your parents
- Doing little jobs for getting money

Why to go?

- See the world
- Get out of your comfort zone
- Take in a new culture
- Travelling builds confident
- Get new experiences
- Adapt to globalization
- Improve your language skills

How long to go?

The longer you're abroad...

- the more opportunities you'll have to travel
- the more experience you'll get
- it will be more expensive
- the more your foreign language skills will develop

The shorter you're abroad...

- it will be cheaper
- it's better for first time travellers
